

Setting up email and text alerts

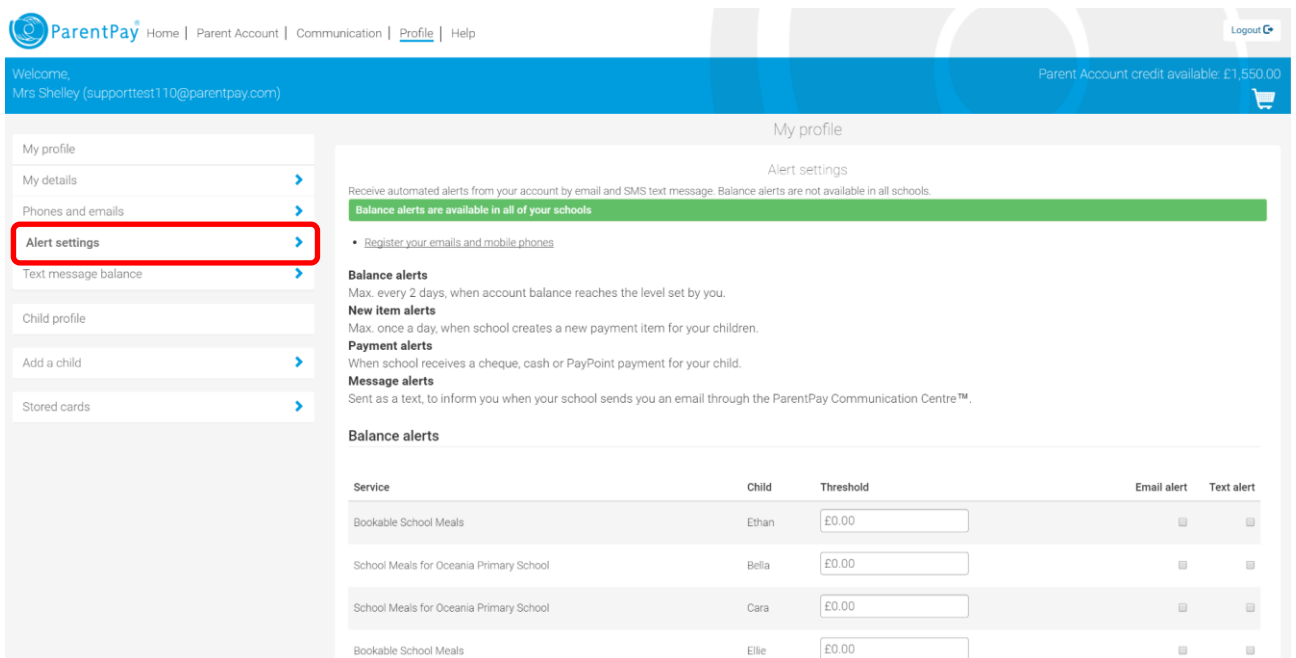

Payers are able to receive automated alerts via email and/or SMS text message.

NOTE: You can only receive automated text alerts if you have topped up your ParentPay Text Balance. Text alert charges will be deducted from your text balance. The cost of a text alert is 6p per text.

NOTE: Text alerts will only be sent to your main mobile number. For email alerts, you are able to change the setting from main email only to all verified email addresses in the **My details** section.

In order to check or make changes to your alert settings:

1. Navigate to **Profile > Alert Settings**

The screenshot shows the ParentPay user interface. At the top, there is a navigation bar with 'Home | Parent Account | Communication | Profile | Help' and a 'Logout' button. Below this, a blue banner displays 'Welcome, Mrs Shelley (supporttest110@parentpay.com)' and 'Parent Account credit available: £1,550.00'. The main content area is titled 'My profile' and contains a sidebar menu on the left with options: 'My profile', 'My details', 'Phones and emails', 'Alert settings' (highlighted with a red box), 'Text message balance', 'Child profile', 'Add a child', and 'Stored cards'. The main content area shows 'Alert settings' with a green banner stating 'Balance alerts are available in all of your schools' and a link to 'Register your emails and mobile phones'. Below this, there are sections for 'Balance alerts', 'New item alerts', 'Payment alerts', and 'Message alerts'. A table titled 'Balance alerts' lists services, children, and thresholds.

Service	Child	Threshold	Email alert	Text alert
Bookable School Meals	Ethan	£0.00	<input type="checkbox"/>	<input type="checkbox"/>
School Meals for Oceania Primary School	Bella	£0.00	<input type="checkbox"/>	<input type="checkbox"/>
School Meals for Oceania Primary School	Cara	£0.00	<input type="checkbox"/>	<input type="checkbox"/>
Bookable School Meals	Elle	£0.00	<input type="checkbox"/>	<input type="checkbox"/>

2. You are presented with each of the available alert notification options that you can now configure:

- **Balance Alerts:** In most instances, if a school uses ParentPay to collect payment for school meals, you are able to set a threshold amount. Once your balance drops below this value, you will receive an alert to the channel(s) you have selected.

Maximum of one message every 2 days when account balance reaches the threshold
