

Duolingo is a free app that can help you learn a language. It could be French or German to help with school studies -or you could pick up another language for fun- even Latin!

Learning from home

BBC
Bitesize

BBC Bitesize- for all year groups. Content, quizzes, animations and video links. April 20th, daily lessons launching on the website. GCSE content to be broadcast on BBC 4 and on iPlayer

Seneca- contains courses linked to all subjects and year groups. Quick fact based learning chunks with questions and quizzes. Tracks how you are doing and lets you go back and close any learning gaps.

 SENECA

Twinkl- with schools closing- twinkl have thrown open their doors for free. With activities for both primary and secondary students, for learning and for fun- lots to check out.

Google Classroom is the main way that work will be sent to students. Resources, links and activities will be attached to the assignments. Students can also ask questions and should submit the work back to the teacher on there as well. Full support and help with Google Classroom can be found [here](#).

Latest news, letters home and updates. !
