F.A.Q.S

How do I join?

Just turn up to a session and the member of staff will add you to the register.

What time do clubs start?

Most lunchtime clubs begin at 1.10. If you are in KS3 please eat your lunch after the club. If you are in KS4 please eat it before. If you have a lunchtime club it is a good idea to bring your own food or order a grab bag.

After school clubs begin at 3.15 and most finish at 4.30 although the musical will rehearse until 5.

Where should I go for the start of the club?

The timetable above tells you where the club will take place and a member of staff will be there to tell you what to do on arrival. If you are attending a sports club you will need to go to the changing rooms to change into kit first.

What should I bring?

Sports clubs will require P.E. kit. If you are playing in a musical ensemble you will need your instrument.

Do I have to pay for clubs?

No. All extra-curricular Drama, Music and P.E. clubs at Fernwood are completely free.

I don't have any experience in the activity. Can I still join?

Absolutely. Most clubs are for everyone to improve their skills and have fun no matter their experience level. For orchestra, string group, and brass group you will need to have your own instrument and be of at least grade 1 standard and for jazz band you will need to be at least grade 4. Samba and both choirs require no previous music tuition.

Auditions for the musical will take place at the end of September but all are welcome to try out.

Are there rewards for attending clubs?

Yes! One term of attending a club will earn you 10 'Getting Involved' points.

I have another question. Who should I ask?

Speak to any member of Drama, Music or P.E. staff. They will be happy to help.
